FOLLOW ME

Somewhere between staring at the screen and tilting my head the magic is done.

I'm Tomáš Sebastián Steinbühel, a digital designer born&raised in Bratislava, Slovakia. Currently, I'm looking for a skillful team to join and learn some new badass skills while creating functional design. Pleased to meet you already.

However through my design journey I've been taught to ignore the nagging self-doubt, shut it down and ship it when needed. Fortunately, instead of grumbling I let the free flow happen.

PERKS OF HIRING ME
More than a designer

Keep it stupid

I like to keep my work simple, minimal with eye-catching details and stunning typography.

Award-winner

Not yet. But with a combination of winning attitude and high ambition I'll be a future game changer

Keen to learn

You know how to eat an elephant? Bite by bite. That's how I learn. One small thing. Every. Single. Day.

Work hard

What would be the point of being a designer if there was no hard work?

Play hard

I love cold beer, tasty food, video games, and spending time with my dog.

PERSONALITY 03 – PLAIN/NEUTRAL

OVERVIEW

Design that gets out of the way by using **very neutral and small typefaces**, and a boxy, structured, and condensed layout

INDUSTRIES

Well-established corporations, companies that don't want to make an impact through design

TYPOGRAPHY

Neutral-looking sans-serif typefaces are used, and text is usually small and doesn't have visual impact

COLORS

Safe colors are employed, nothing too bright or too washed-out. Blues and blacks are common

IMAGES

Images are frequently used, but usually in a small format

ICONS

 Usually no icons, but simple icons may be used

SHADOWS

 Usually no shadows

BORDER-RADIUS

 Usually no border-radius

LAYOUT

Structured and condensed layout, with lots of boxes and rows

The screenshot shows the IBM Think Digital Summit Portugal website. At the top, there's a navigation bar with links for Products & Solutions, Services & Consulting, Learn & Support, and Explore more. Below the navigation is a large blue header with the "think" logo in white and pink. The header includes text for "Think Digital Summit Portugal", the date "November 4", the hashtag "#ThinkPortugal", and a "Register now" button.

The main content area has a section titled "Inside IBM" with four cards:

- "The new IBM z15" (image of a server)
- "EAM" (image of a person working at a desk)
- "The hybrid cloud advantage" (image of a person working at a desk)
- "Strategies for SCM" (image of a person working at a desk)

Below these cards are sections for "Technologies" and "Business needs", each with several links to different IBM services. There's also a "Explore product trials and offers" section with a "View more offers" link and four product cards for "Cloud Event Management", "IBM Blueworks Live", "IBM Watson Studio Desktop", and "IBM Aspera on Cloud".

On the right side, there's a sidebar with a "Systems TechU" section showing a group of people at a conference and a "From Bangkok to Berlin" section with a play button icon.
